

objects 100 miles away to aid prewar surveillance and photo-reconnaissance mapping of Iraqi forces in occupied Kuwait and along the Saudi Arabia-Iraq border.

Though the missions and the aircraft have changed over the 100-year history of the flying squadron, one thing has remained constant: The men and women of the 117th have always answered the call to service. That tradition has been proudly carried on by the nearly 1,000 men and women who comprise the 117th Air Refueling Wing.

Today, we honor the airmen and women, maintainers, medical crews, and support staff of the 117th Air Refueling Wing on this important anniversary and remember those that have given their lives as part of the wing's operations. I salute them for their sacrifice and service to the great State of Alabama and the United States of America.

ADDITIONAL STATEMENTS

TRIBUTE TO DR. BARBARA DAMRON

• Mr. HEINRICH. Mr. President, it is my honor to recognize Dr. Barbara Damron's countless contributions in service to New Mexico over the course of her career as she transitions from her position as the chief government relations officer for the University of New Mexico, including the central campus, the health sciences center, and all branch campuses.

For more than three decades, Dr. Damron has built an impressive resume of experiences as an education leader, a healthcare executive, a college professor, an international consultant, an advanced practice nurse, and a cancer scientist. In addition to her work at the University of New Mexico, she has served as the New Mexico Higher Education Department Cabinet Secretary and as the State Higher Education Executive Officer, where she oversaw all of our State's 28 institutions of higher education, 4 Tribal colleges, and over 190 private and proprietary postsecondary schools.

Dr. Damron led the Common Course Numbering System, which aligned all lower division courses among institutions of higher education throughout New Mexico. As cabinet secretary, Dr. Damron demonstrated her responsiveness to and collaboration with communities in our State. Dr. Damron has also chaired the New Mexico Education Trust Board and New Mexico's 529 college savings plan and served as a commissioner of the Western Interstate Commission and of the Education Commission of the States.

I appreciate Dr. Damron's deep engagement with my office as she worked to help bring the University of New Mexico's impressive talent and resources to bear against the impacts of the COVID-19 pandemic on our communities. I will always be grateful for

both Dr. Damron's incredible management skills and the sense of humor she has always brought to her work.

I am pleased that Dr. Damron will keep serving New Mexicans as an educator by continuing to teach students in the University of New Mexico Health Sciences Center's College of Nursing. I am confident that her commitment to the success of our State's students and educators will never end. And I congratulate her on this next chapter of her career.●

¹The FEC database also a \$500.00 donation on the same date for "Schiff Leads PAC". According to my records, only one \$500.00 donation was made, making this a duplicative attribution.

²The FEC database also lists a \$250.00 donation on 11/29/2020 to "Jon Ossoff for Sen-

ate" and a \$250.00 donation on the same date to "Warnock for Georgia". According to my records, I made a \$500.00 donation on 11/28/2020 to "Georgia Senate Victory Fund" that was then presumably reattributed/sent on to these two campaigns resulting in multiple database entries.
